## Oakworth Lottery

A community lottery supporting the village hall and community events.

Prizes every month, each entry costs £1  
(Minimum 12 months)

Prize winners will be randomly drawn on the first Saturday of each month. The prize money depends on the number of entries that month but will always be about half the total entry fund. All money raised is either paid out in prizes or goes back into the community through supporting the running of the village hall or holding community events for the benefit of all.
